

Friends of the Viaduct Valley Way Scenic Byway
C/O Endless Mountains Heritage Region
One Washington Street, Suite B
Towanda, PA 18848

The Friends of the Viaduct Valley Way Scenic Byway are in the process of preparing a Corridor Management Plan that will be funded in part by a grant from the state but that requires a 20% match. This plan is a living document that outlines goals, strategies, and responsibilities for preserving and promoting the byway. Funds that are received will be placed in an escrow account by the **Endless Mountains Heritage Region (EMHR)**. For more information on EMHR, please visit www.endlessmountainsheritage.org.

The byway will be good for local municipalities, bring tourism to the region, and help the economy.

Please take time to sign the following and indicate your willingness to support our efforts to bring tourism into our communities and benefit the citizens who live and work in our region. **Please return to us by February 28, 2011 at the address above.**

I am in support of the Viaduct Valley Way Scenic Byway which extends from Tunkhannock Township, Wyoming County through Susquehanna County on State Route 92 to the New York State line.

 Date

I am interested in supporting the Viaduct Valley Way Scenic Byway by making a pledge of support in the amount of \$_____. I understand this pledge will not be due until the Corridor Management Plan is ready for submission in 2012.

I am interested in helping in the process and being a scenic corridor stakeholder.
